Dear Timothy Foss:

Subject: Approved Supplier Request

This letter is in response to your request for Approved Supplier recertification privileges received on January 15, 2024, by the Michigan Department of Transportation (MDOT). MDOT is granting Approved Supplier recertification privileges to Great Lakes Concrete Supply, Flint, Michigan. The facility will be added to the Approved Supplier listing in the MDOT *Materials Source Guide (MSG)*.

This change will be made in the next update of the *MSG*. Until then, this letter serves as approval to supply to MDOT projects.

- **Reminder:** As an Approved Supplier, you cannot modify the material received from the Approved Manufacturer in any way. Continued compliance with the certification distribution requirements when shipping to an MDOT project is emphasized.

Please notify Construction Field Services Materials Control when changes occur to the above noted company information. If you have any questions or concerns regarding the Approved Supplier process, please feel free to contact me at 517-636-4938 or WarrenD7@Michigan.gov.

Sincerely,
